

CES Gifted Assignment – Week 3

During Week 3, continue to write in your journal about your daily activities during the pandemic. Follow the guiding questions listed in the previous weeks, but more importantly, feel free to write whatever you like. Remember to date each page as you write.

You can also use one of your other talents as you see fit: drawing, poetry, etc., but each day should be documented in some way. Think about taking some photographs for an iMovie, or writing a six-minute podcast about your experiences so far.

You are creating a primary source that can be used by people in the future to learn about our lives during this crisis from your unique perspective.

Be authentic. Be honest. Be reflective.

Other Possible Activities

- a) Complete jigsaw puzzles at www.jigsawexplorer.com as new puzzles are added daily, and there are a variety of levels available.
- b) Play a board game with your family.
- c) Host a paper airplane contest with your family.

A Note from Ms. Hooker

I have been journaling, completing jigsaw puzzles, and doing the daily set puzzle. I have also been reading a lot and attending Zoom meetings. One of my meetings was even “Zoom bombed” or hacked. Most of all, I have been missing each one of you. Please take care of yourselves as we battle this COVID-19 pandemic. I am looking forward to seeing you all again.
